FINAL PARTNER MEETING IN BEAUTIFUL LEIDEN

To wrap up the ELDeM YOU project, partners came together in the charming city of Leiden, the Netherlands, to discuss the final steps and ensure everything is in place for a successful conclusion.

It was a great opportunity to reflect on our achievements, fine-tune the final outputs, and celebrate the collaborative spirit that brought this project to life.

ELDeM YOU Method

We provide you with a basic concept for the newly developed approach of the European Life Design Method for Youth, explaining how the Life Design approach can be adapted to the needs and requirements of young people and how they can be supported in their professional life.

ELDeM YOU Guideline

Based on the insights of the basic concept, the guidelines provide a structure and overview for youth workers on how the method can be applied with their young people. The guidelines include background information, practical examples, methods, and tips and tricks for a successful application.

Digital ELDeM YOU tool

Combining the approach, the method, and providing practical examples, we offer a digital e-learning tool which includes resources for youth workers and young people to increase inclusion and employability for young people and guidance in how to find a suitable and motivating job in Europe.
